

Valentin Montmirail

112, rue du Centre
59553 Esquerchin, FRANCE

Phone: (+33) 6 46 59 86 79

Email: valentin.montmirail@gmail.com

Website : <http://www.valentin-montmirail.fr/en/>

Birthday : 19 sept 1991 (23)

Nationality: French

Marital Status: Single

Driving licence, Car

Objective: Find an engineer's internship in Artificial Intelligence

Skills

System administration : GNU/Linux (Ubuntu, Debian, Fedora, Solaris, Sabayon, Mint, CentOS).
Mac OS X (Lion, Mountain Lion, Mavericks, Yosemite).
Microsoft Windows (XP, Vista, 7, 8, 8.1).

Languages : Web : PHP 4/5 (Zend Framework, Symfony 2), JavaScript (jQuery, MooTools), HTML5, xHTML, CSS(3).

Other : Java (Swing, AWT), C (GTK+, OpenGL, Glut), C++ (Qt 4.7+), C# (.NET), Android, L^AT_EX, JavaEE (Tapestry).

Project management : Versionning (Git, SVN), Jenkins/Sonar, UML/Merise, Agile method, V cycle, Gantt, Test Driven Development (JUnit, CppCheck).

Databases : Microsoft Access, MySQL, PostgreSQL, Oracle.

Languages : English (technical and general), French (native), Italian (school-level).

Professional experiences

August 2014 - Sept. 2014 (2 months) **IMMOJEUNE**, Paris, France.
Performing an integratable IFrame on all its partners for Immojeune. I co-managed the development in Symfony 2 and the versioning (git).

July 2014 - August 2014 (2 months) **WORLDLINE**, Tours, France.
Perform the comparison and merging management projects prepaid accounts and receipts of items to achieve a complete software, generic and reusable.

June 2013 - August 2013 (3 months) **AXA-ASSISTANCE CANADA**, Montréal, Canada.
Continuing the Intern website with Zend Framework started 1 year earlier.

May 2012 - August 2012 (4 months) **AXA-ASSISTANCE CANADA**, Montréal, Canada.
Internship at AXA Assistance Canada, to create an internal website in PHP 5.3 and Zend Framework, the goal was the merger of several existing sites so that field agents no longer uses a single intranet to access everything they need.

Personal experiences

Mentoring and Tutoring * Mentoring at **École Polytechnique de l'Université de Tours** in algorithmic and C language for third graders.
* Tutoring at **Institut Universitaire de Technologie de Lens** in algorithmic and C++ language for first graders.

Organization * Organizing concerts (human and technical constraints) and writing business plans as treasurer whether within **les Binoclarde** or the Club Music of Polytech Tours.

Project management * Co-director of the company **Simply Créat'**, I am often asked to quantify and control the realized projects and to take care of customer relationships.

Training

2012 – 2015 **ÉCOLE POLYTECHNIQUE DE L'UNIVERSITÉ DE TOURS**, Tours, France.
Preparation of an engineering degree in Computer Science.
Winter semester at **Politechnika Łódzka, Łódz - Poland**.

2010 – 2012 **INSTITUT UNIVERSITAIRE DE TECHNOLOGIE DE LENS**, Lens, France.
Obtaining a University Diploma of Technology in Computer Science.
Winter semester in Bachelor of Software Engineering at **UQAM, Montréal - Canada**.

Interests

Music : Guitar since September 2004. Guitarist/Singer in the band **Les Binoclarde**.

Traveling : England (3 weeks), Québec (8 months + 3 months), Poland (5 months).
